Member:
National Garden Clubs, Inc.

Deep South Region

Florida Federation of Garden Clubs, Inc.
District VI

(Club Code 06-315)

www.GardenClubAtPalmCoast.org

Mission Statement

The purpose of The Garden Club at Palm Coast, Inc. is: "To aid in the protection and conservation of plants, birds, trees, air, and water; to stimulate a knowledge and love of horticulture and floral design; to educate members to participate in environmental affairs and to encourage civic pride."

The Arrangers' Guild

The Guild is an extension of the Garden Club. Its members share a love of flowers and an interest in arranging and floral design. FFGC sanctioned floral design classes are offered and members work toward eligibility to enter FFGC Standard Flower Shows which are held by the Club every other year. Separate dues and fees are applicable. Guild meets on the third Tuesday of each month, September thru May. For additional info call Linda at 437-2613.

The Propagation Guild

An energetic team of Club members formed The Propagation Guild in the Spring of 2015. Their goal is to share their knowledge on plant propagation and to encourage others to be equally passionate about growing their own flowers, herbs, shrubs and trees. Plants grown by the Guild are then sold at membership meetings, community events and at the Club's Annual Garden Expo and Plant Sale. Proceeds from these sales benefit the Club's Scholarship Program and Operating Expenses. For additional info call Jane at 446-0341.

Projects

Biennial Garden Tour/Flower Show
