FROM THE PRESIDENT'S PEN *by Sue Bara*

Well Happy New Year!!! We're off to a brand-new year 2019, I trust all of you are happy to see 2018 leave. And what a Christmas party we had. If you missed it, then you missed a great time. We have lots of things coming up in this new year. You are not going to want to miss any meetings.

We have a Savannah trip coming up, only 8 seats left, Jane with propagation has trips planned and Kelley Callery has 3 months of fun projects planned. Linda Hensler has 4 more floral design classes planned. Surely there is something coming up for you to do.

We are in Zone 9A. We can plant tomatoes, peppers, eggplant and herbs are great to get started this month. Flowers that like the cooler temperatures include alyssum, pansy, petunias, kale and snapdragons. Come hear Carol Mimi on the 14th and learn about planting trees for pollinators. Can't wait to see you. Happy gardening.

FIRST FIELD TRIP OF THE NEW YEAR

Wednesday January 2nd was a beautiful warm day and the 13 members who went to tour Leu Gardens had a wonderful time. Jane Vila-Lobos led the group throughout the gardens, and there were plenty of beautiful flowers to see - camellias, bromeliads, hibiscus, silk floss tree, orchid tree, and princess flower, to name just a few. The group searched for the 26 whimsical copper frog sculptures in the special Ribbitt Exhibit and had fun posing for photos. See the article on our webpage.

JANUARY SELECTION OF THE MONTH

by Nancy Landoli

Selection of the Month Committee

Danielle and Scott Colvin along with son Trevor of Clearview Ct. North have been recognized as January 2019 Selection of the Month by the Garden Club at Palm Coast.

They moved to Palm Coast in 2015 from Northeast Georgia. Scott has been working hard all year planting and designing his beautiful landscape and in all his beds he has added weed free Pine Straw which he prefers to call it "A Touch of Southern Charm". He has made a slight raised grass elevation that really adds character to his lawn as well as a small edging of grass is incorporated in his front bed along with a beautiful tall pink Canna Lily plant, Foxtail Fern, purple Mums and Ixora bushes. The welcoming Sky Blue door and the large wooden front entry step reminds you of a Key West dock area!

On the right island you have Mona Lavender (orchid like blooms), a Roebelenii Palm (Pygmy date palm) several mounds of purple African Iris, and he also added a touch of a whimsical little car and a tall pink Oleander tree.

The middle island greets you with a splash of colors of orange Mums, Sun Flowers, orange Marigolds, a Christmas Palm (aka Adonidia), several clusters of yellow Lantana bushes, red and orange Firecracker bushes and two tall Palmetto Palms.

Moving towards the left side and heading to the back you have an elongated island with orange Canna lilies, purple Liriope plants, Ixora, a large leaf Rubber tree and a large Foxtail Palm. There is a Butterfly bush, Japanese Fishtail Palm, Bird of Paradise, small Banana tree, red Cedar, purple Fountain Grass and a Sea Grape bush near the canal. Along the patio you can find Crotons, pink Crown of Thorns, yellow Canna lily, pink Bromeliad, yellow Shrimp plant, Macho Fern, Pony Tail Palm, Hawaiian Ti, Asparagus Fern, Basil and Rosemary.

GCPC CRAFT CLASSES

For the next three months, Kelley Callery will be teaching us how to make some garden related craft projects. The first class will be painted rock cactus, the second class will be beautiful necklaces made with alcohol inks and the third class will be garden fairy wands.

Each class will be limited to 25 participants and all supplies will be provided for each person to make 2 of each project, one to take home and one to be donated to the GCPC spring festival for sale at our booth.

The cost for each class is \$10 and sign-up sheets will be at our general meetings and on our website.

Classes will be held at Realty Exchange at Island Walk Shopping Center, 300 Palm Coast Pkwy NE, Palm Coast, 10am-12.
