

Saturday, October 11

10:30 - 3:00

A Day of Gardening with the Green Thumbs

The Green Thumb volunteers will be offering their personal expertise during specific talks on Garden Basics, Native Plant Identification and Care, and Propagating Techniques. They will also be available throughout the day at various garden locations to answer your questions and offer in depth knowledge about the maintenance requirements required to keep your garden looking its best.

We will also be having a plant sale. A food truck will be on site. Or, bring a picnic lunch to make it a fun and educational day at the Garden.

10:30 - 11:30	Gardening Basics by Elaine Prisby
11:30 - 1:00	Lunch Break
1:00 - 2:00	Florida Natives vs. Invasives (Walking Tour) by Dana Wiest & Amy Kalmbacher
2:00 - 3:00	Propagation Techniques by Jane Villa-Lobos & Dena Shafer

Cost: General Admission (Members free)
